

The Preschool Peckalach

MESSAGE FROM MRS. LEVIT :

Learning about the Parsha in our classes is such a rich and exciting part of our curriculum. Of course, as Yidden, we know the importance of living Torah, and that's exactly what you see in our classrooms. During the week of Parshas Vayeira, each class invited another class for a visit, so they could emulate Avrohom Avinu and Sarah Imenu. Classrooms were cleaned and readied for guests and the kinderlach learned firsthand what it means to be a host and a guest. In the week of Chayei Sarah, the chesed and middos continued, as we learned about Rivka and her incredible kindness. Please remember to review the week's Parsha with your little ones, based on the information in the class newsletter.

Have nachas and enjoy!

Good Shabbos!
